

Sustainability Issues

The Recompense Fund's Mission is to support the sustainability of Chebeague as a year-round community. The Fund would appreciate your assessment of the three most important issues our Island faces.

Sustainability Issues

1. Please choose the three issues that you think are the most important for the long-term sustainability of Chebeague as a year-round community.

- | | |
|---|--|
| <input type="checkbox"/> Housing Options | <input type="checkbox"/> Affordability |
| <input type="checkbox"/> Eldercare | <input type="checkbox"/> Internet & Cell Service |
| <input type="checkbox"/> Business & Job Opportunities | <input type="checkbox"/> Land Preservation & Marine Protection |
| <input type="checkbox"/> Childcare & Early Learning | <input type="checkbox"/> Leadership & Volunteerism |
| <input type="checkbox"/> Education | <input type="checkbox"/> Transportation |
| <input type="checkbox"/> Health & Wellness | <input type="checkbox"/> Recreation |

Other

2. Please add any other comments or information that you feel are important to the sustainability of our Island community.
